To Whom It May Concern:

The Gorilla Wrestling Club has been in existence for fifteen years and each year our enrollment increases. Our club strongly believes that wrestling teaches kids many of the needed life skills including goal setting, commitment, dedication, hard work, sportsmanship, responsibility, as well as individual perseverance. Because of this belief, our goal is to offer club wrestling to all who wish to attend, and give each child the individual attention they require.

Each year we face increasing operating costs, equipment needs, and additional uniforms. The business world teaches one to raise prices to cover increasing costs; however, our club strives to keep fees as affordable as possible. Additionally, unlike many clubs, the Gorilla Wrestling Club has made the commitment to allow all young children the opportunity to participate and enjoy the great sport of wrestling, even if they lack the necessary funds.

To remain committed to our Club's mission and enable dedicated young children to fully participate in this sport, we are asking area business leaders for their financial support. The Gorilla Wrestling Club recognizes all sponsors by promoting your company name and/or logo on our website located at www.gorillawrestlingclub.com and also our Facebook page under Bismarck Gorilla Wrestling in the following categories:

*Gorilla Champion - \$500
Gorilla Placer: \$250
Gorilla Participant: \$100
Gorilla Sponsor: \$50 or fewer donation*

Thank you for your time in considering this request and your willingness to help kids in our community.

Sincerely,

*Brian Fettig
Gorilla Club President/Head Coach*
